PTA Newsletter

Welcome back!

Thank you for taking the time to read this and for supporting your child's school in so many ways! While the impact of the crisis on children's education and wellbeing has been widely reported in the media, each and every one of our families will have a unique experience and we are all here to support each other in providing the best possible outcomes for our children. It is so good to see them back with their friends, enjoying playing and learning together! Thank you to all the school staff for working so hard to enable our children to get back to some degree of normality in their lives.

As a PTA we are also adapting to new ways of connecting with each other and raising desperately needed funds for the school, and we would love to hear from you if you would like to contribute or have any suggestions. We are excited to welcome new members to the PTA this year and we are very fortunate to have very experienced members who remain actively engaged.

Photo Scavenger Hunt

This half term, why not help keep the kids occupied by getting involved with our Holywell Photo Scavenger Hunt.

Find one example of as many of the items on the grid as you can over the half term break, emailing photos of them to holywellchallenge@gmail.com. Whoever photographs the most items on the grid in each class will win a prize (a prize draw will be held if more than one person has photographed the most items).

Look out for more information in the coming weeks!

Past PTA Fundraising

Thanks to all your fundraising efforts in the past year we have managed to provide some extra resources for the school including some fantastic new books. We were also able to fund Leaver's Hoodies for the year 6 children to help them remember their time at Holywell.

We look forward to continuing to support the school through our fundraising efforts this year and are hoping to help the school with the extra funds they require to replace and purchase new IT equipment.

Bag2School Collection

Bag2School will be back this term. It's a great way of clearing out any unwanted clothing, paired shoes, handbags, belts and accessories whilst helping us raise money too! There is no limit to the amount of bags you can recycle and the more collected, the greater the benefit to the school.

Please can all items be placed in plastic bags by the school gate on the morning of Thursday 5th November 2020 and not before.
