

Holywell C of E Primary School Sport Premium

PE and School Sport play a vital role in the life of students as Holywell C of E Primary School. Through our curricular and extra-curricular provision we are dedicated to ensuring that every young person has the opportunity and confidence to participate, lead and perform in PE and Sport.

We firmly believe that the engagement in PE and Sport can support the holistic development of young people by giving them the opportunity to develop key learning skills: Risk taking, reflection, independence, working with others, creativity & curiosity and problem solving.

Engagement with PE also links in with our school core values: hope, thankfulness, compassion, truth, friendship, truthfulness, peace, courage and respect.

Since September 2013, we have been in receipt of the Governments Sport Premium funding which is helping us to improve and develop on the key aspect of our work. The information below demonstrates the breakdown of expenditure (£8275) for 2013 - and also highlights how we are utilising this funding to improve the quality and quantity of PE and Sport in our school;

Breakdown:

- Agreement with Park Community School to support PE competitions, teacher and pupil involvement in PE through the Schools Sports Officer and events £1700
- Subscription to Babcock - PEDPASS to support PE Leaders subject knowledge through termly meetings £125
- To purchase PE Kits for competitions £1500
- Resources for subject leader £250
- Resources for new equipment for the additional sports the school will be bringing into the curriculum e.g. Quik Sticks, Handball £500
- Specialist school based PE Teacher for $\frac{1}{2}$ a day each week £2500
- To enter competitions and travel costs £800

(The remaining £900 is to be used to pay for the increased cost of subscription to the SSCO programme, further costs for transport and competitions and any additional equipment costs required throughout the year)

What we are doing:

- Buying into the work of the SSCO team based at Park Community School and Pilton College, to ensure that there is access to their advice, guidance and expertise in the delivery of PE and Sport.

- Using the SSCO contract as a resource in having specialised coaches in school working alongside staff to model and develop the skills needed to deliver high quality PE sessions.
- Provision of outstanding professional development for teaching staff to support their subject knowledge and pedagogy in PE (.Staff attending courses where Secondary specialist PE teachers deliver content on skills and development levels in a range Sports identified as needing additional support). Use of the SSCO knowledge and staff skill base to ensure this remains up to date and inline with the PE curriculum.
- Engaging with outreach specialisms in sports such as tennis, gymnastics, Bikeability and swimming to enable pupils to have access to good quality coaching and outstanding facilities.
- Engaging in a range of friendly and competitive fixtures in a variety of sports against other schools.
- Engagement in the School Games competition programme through our partnerships with other schools in the Barnstaple Learning community and under the support and guidance of the SSCOs.
- Engaging with county level competition such as the Devon Summer and Winter games
- Training and support for MTA's to support the delivery of the 'Active Lunchbox' initiative.
- Planning and engagement of children to engage in sports activities raising funds for charities such as Sport Relief.
- Development of Young Sports Leaders in partnership with the SSCO based at Pilton College.
- Training of a facilitator and provision of the 'Fun Fit' Programme for children requiring gross and fine motor skill development.
- The running of an outdoor learning programme within the grounds and surrounding woods of the school.
- A programme of extension activities and events for young people identified as having a talent for sport (pupils from Y5 - 6 attending G&T development opportunities at Park Community School at least annually).
- To enable as many children as is possible to attend Residential which are based around increased physical activity and opportunities of Outdoor Pursuits, not available within the school timetable or facilities.

Measures of Impact

- 100% of all pupils from YR to Y6 experience some intra/inter school competitive sport.
- New PE curriculum in place for all pupils by September 2014
- To increase the current numbers attending a physical education extra-curricular club beyond current 2012 - 2103 levels

- To increase the number of entries into competitions across a range of sports at Levels 2 and 3.

Holywell CofE Primary School remains committed to the development of school sport, as reflected in the development and success of our children in local and county competitions.
